

# Reuse Working Group Breakout #5 – Publication and Outreach

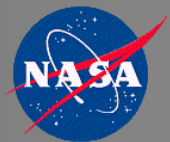

9th Earth Science Data Systems Working Group Meeting  
New Orleans, LA  
October 20–22, 2010

# Publication Opportunities

- 
- Papers published at meetings like:
    - IGARSS
    - IRI
    - ICSR
    - ICSE
  - Abstracts published at meetings like:
    - AGU
    - GSA
  - Papers may come out of meetings like:
    - ESSI Workshop

- 
- Have published in:
    - CODATA's Data Science Journal
    - Springer's Earth Science Informatics journal
  - Planning for submission to
    - Transactions on Geoscience and Remote Sensing

- 
- Have published in IN-TECH / Sciyo book
  - Planned to publish in CRC Press book, but it was canceled by editors
    - Looking for a new place to use this material

# Outreach Opportunities

- 
- ESIP Federation
    - Have presented and held some sessions here, winter and summer meetings
    - Any reuse group within ESIP that would be like a partner to our NASA group?
  - Earth and Space Science Informatics (ESSI) focus group of the AGU
    - Have presented at their 2009 and 2010 workshop
    - More opportunities to engage this group?

- 
- Universities and colleges?
  - Other federal agencies (e.g., NOAA)?
